EDUCATION

Haldia Institute Of Technology   **August 2023**
*B.Tech - Information Technology **DGPA - 8.68***   *Haldia, West Bengal*

S.S.M.Chintamani Das College   **April 2019**
Senior Secondary Education   *Begusarai, Bihar*

PROJECTS

Hospital Management System ↗ | Core Java, Spring Boot, Spring JPA, Swagger, Sonarqube, MySQL
- Developed **70 APIs** for performing CRUD operations across various **scenarios and departments**.
- Created **entity classes**, DTOs, controllers, services, and repositories, ensuring modular and scalable architecture.
- Tested all scenarios using **JUnit 5** and implemented comprehensive **exception handling** mechanisms.

Educator: Learn for free ↗ | HTML, CSS, JAVASCRIPT, API
- This software contains features like **compilation of best video lecture, Hand written notes of all the lecture, Discussion forum , Blog section and use of some very useful API like hackerearth.**
- I also add animation using advanced CSS, Integrate discussion forum which develops using react, Sign-up form was developed using MySQL.

Fake News Detatcion (Group Project) ↗ | Python, ML, Flask, HTML, CSS
- Building a Fake News Prediction System using Machine Learning with Python. We will be using **Logistic Regression model** for prediction.
- We are detecting fake news from four perspectives: **The false knowledge it carries, its writing style, its propagation patterns, and the credibility of its source.**

SKILLS

Full Stack Technologies: HTML5, CSS3, Bootstrap, JavaScript, TypeScript, Angular 18, Core Java, Spring Boot, Spring (JDBC, JPA, MVC, AOP, Security), JWT, Docker, JUnit 5, AWS, Microservices, Git/GitHub

Development Tools: Visual Studio Code, Swagger, SonarQube, Postman, Eclipse, Spring Tool Suite (STS), Microsoft Excel, Microsoft Word, Microsoft PowerPoint

Soft Skills: Communication, Analytical Thinking, Problem Solving, Critical Thinking, Team Management

ACHIEVEMENTS & CERTIFICATIONS

- 570+ Problems are solved on GFG
- Secured 85% in TCS NQT exam(2021)
- **5 Stars** in **SQL** at **HackerRank** ↗
- TalentNext Course On Java - Wipro
- Front End Web Development - Udemy
- Data Structure & Algorithm - Udemy

EXTRA CURRICULAR

Association for Computing Machinery ↗   **2023**
Chairperson   *Haldia*

- Led the ACM society to become the most popular on campus by organizing numerous successful workshops and events.
- Coordinated an 8-day workshop with a team of 50 members, setting a record with **774 student registrations**, the highest in the college's history.
